

A brief overview: LAB-COURSES

On the following pages you will find a list of selected courses on laboratory diagnosis for tropical medicine, which are recommended by MSF for an assignment in the developing countries where we work. Depending on your job profile, your participation in one of these courses may be mandatory in order to apply for a position with MSF in the field. Therefore, please check the requirements listed on our website or in the information brochures.

For precise information on fees and dates, as well as registration, please contact one of the following organisations.

Location: TÜBINGEN, Germany
Course title: Laboratory diagnosis for Tropical medicine
Focus: Methods of diagnosis and laboratory diagnosis for tropical medicine
Language: German
Duration: 3 days
Dates: bi-annual (March and December)
07.–09.03.2016
05.-07.12.2016
Prerequisites: proficiency in tropical medicine
Fees: 300 €
Link: <http://difaem.de/fachangebote/seminare/>

Location: WÜRZBURG, Germany
Course title: faecal parasites
Focus: microscopy and diagnosis of tissue and faecal parasites
Language: German
Duration: 2 days
Dates: 29.02.-01.03.2016, 25.04.-26.04.2016, 28.11.-29.11.2016
Prerequisites: proficiency in microscopy and differentiation of a normal blood count
Fees: 300,00 € (students get an abatement of 15%)
